

ICLP 2020

COLOMBO SRILANKA

35th International Conference
on Lightning Protection

30th August to
4th September
2020

Sponsorship Brochure

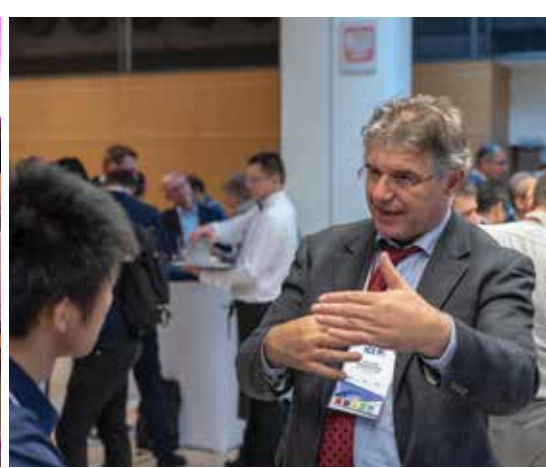

Welcome !

Companies, institutions and individuals are invited to join and sponsor the 35th International Conference on Lightning Protection (ICLP). Sponsors will greatly benefit from exposure and visibility vis-à-vis over 300 international and local participants that consist of academics and professionals in the field of lightning protection.

What is ICLP?

Incepted in 1951, ICLP is the largest biennial conference that forms a global platform where the academic and industry giants of lightning protection come together and exchange the scientific and technological knowledge through presentations, discussion, workshops and exhibitions. Currently, it has an attendance of more than 300 participants representing over 40 countries.

Why **support** this Event ?

The ICLP brings together delegates of a broad spectrum that includes scientists, advisers, funders and heads of industrial research programs in the field of lightning, which is a multi-million-dollar industry in the global scale

Our conference is characterized by international speakers and high-quality presentations. Thus, ICLP is the ideal place to build new relationships and partnerships.

CLP

As an **event sponsor** you will:

- ✓ Get exposed to the latest discoveries and trends in lightning protection
- ✓ Engage with leading scientific researchers across the globe
- ✓ Exhibit your company's products & services
- ✓ Raise your company's profile
- ✓ Build new networks and partnerships

We look forward to your participation in what promises to be an exciting and thought-provoking event.

ICLP 2020 at a glance

In keeping with prior conferences, the ICLP 2020 would consist of the following:

- ✔ Scientific conference (Oral and Poster presentations)
- ✔ Exhibition (Lightning related products/solutions and services)
- ✔ Workshops

Conference Topics

- ✔ Lightning physics and phenomenology
- ✔ Lightning discharge
- ✔ Lightning occurrence characteristics
- ✔ Lightning electromagnetic impulse (LEMP) and
- ✔ Lightning-induced effects
- ✔ Lightning attachment
- ✔ Lightning down-conductors and grounding
- ✔ Lightning protection of buildings
- ✔ Lightning protection of telecommunication systems
- ✔ Lightning protection of power systems
- ✔ Lightning protection of electronic systems
- ✔ Lightning protection of transportation systems
- ✔ Lightning protection of renewable energy systems
- ✔ Practical lightning protection solutions
- ✔ Lightning protection and lightning testing standards
- ✔ Lightning safety, medicine and education
- ✔ High-voltage/triggered lightning experiments for simulation of lightning effects

Committees

Conference Chair

Dr. S. S. N. Perera (University of Colombo)

Technical Session Chair

Prof. I.M.K.Fernando (University of Colombo)

ICLP Scientific Committee

President *Prof. V. Cooray, Sweden*

Vice President *Prof. C. A. Nucci, Italy*

Secretary *Dr. G. Diendorfer, Austria*

Committee Members

Prof. I. Berta, Hungary

Prof. C. Bouquegneau, Belgium

Prof. V. Cooray, Sweden

Prof. M. T. Correia de Barros, Portugal

Dr. G. Diendorfer, Austria

Prof. J. L. He, China

Prof. F. Heidler, Germany

Prof. I. R. Jandrell, S. Africa

Dr. M. Loboda, Poland

Prof. C. Mazzetti, Italy

Prof. Juan Montaña, Spain

Prof. C. A. Nucci, Italy

Prof. A. Piantini, Brazil

Prof. F. Rachidi, Switzerland

Prof. M. Rubinstein, Switzerland

Prof. V. Rakov, USA

Prof. S. Yokoyama, Japan

Honorary Members of Scientific Committee

Prof. Z. Flisowski, Poland

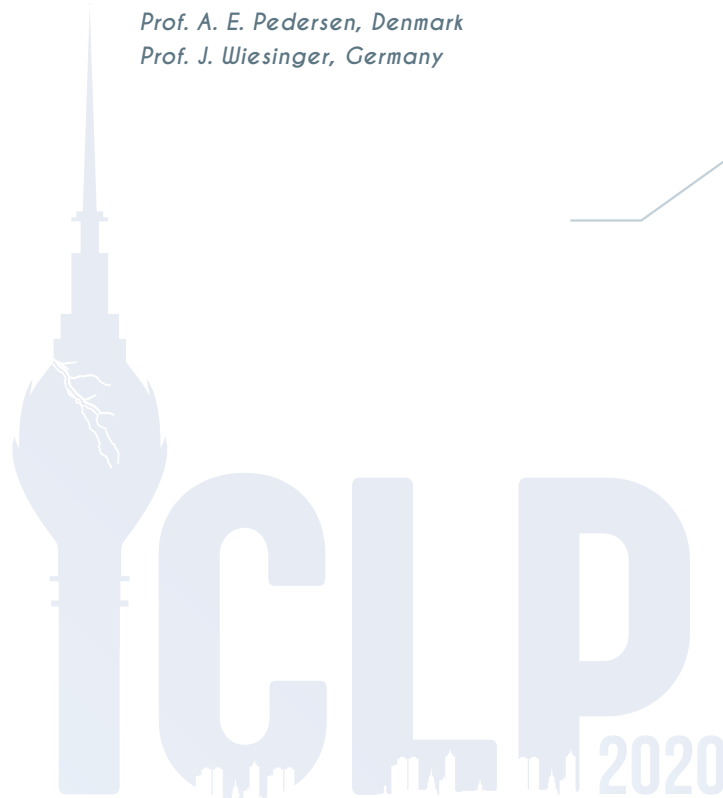

Prof. W. Hadrian, Austria

Dr. J. Huse, Norway

Mr. E. Montandon, Switzerland

Prof. A. E. Pedersen, Denmark

Prof. J. Wiesinger, Germany

Host Nation

Sri Lanka, situated at the center of the Indian Ocean, is accessible from all major cities by air and sea. The country has less strict visa regulations, and residents of over 120 states enjoy the on-arrival visa facility. Colombo city is the commercial center of the country and serves as the main gateway and a stopover point connecting Europe and Asia. It is also the heart of business activities, conferences, and sports events of the country.

Voted as the top tourist destination country for the year 2019, Sri Lanka boasts a rich history, diverse geography, and soothing weather that attracts a large volume of visitors annually. As a tropical country, Sri Lanka experiences over 70 thunder days annually, which has made the country an ideal destination to conduct lightning research. Furthermore, Sri Lanka has significantly contributed to studies on tropical lightning.

Conference Venue

ICLP 2020 will be hosted at the **SHANGRI-LA HOTEL, COLOMBO**, which is the latest member of their luxury global hotel franchise. The hotel boasts of five-star ratings of service, and the ICLPs designated area consists of ample space for simultaneous proceedings of both the exhibition and the conference with all the state of the art multimedia capabilities..

Conference Timetable

Sunday 30/08/2020	Monday 31/08/2020	Tuesday 01/09/2020	Wednesday 02/09/2020	Thursday 03/09/2020	Friday 04/09/2020

Price	USD 18,000	USD 12,000	USD 6,000	USD 3,000

* All other excess personnel must be registered as full delegates of the conference

Exhibition

Parallel to the main conference, an exhibition will be held at the same venue. Maximum exposure would be given to all partners/sponsors of the conference in displaying their products/services to the participants.

Spaces will be first allocated based on the partnership/sponsorship packages and the remainder on a first come first serve basis.

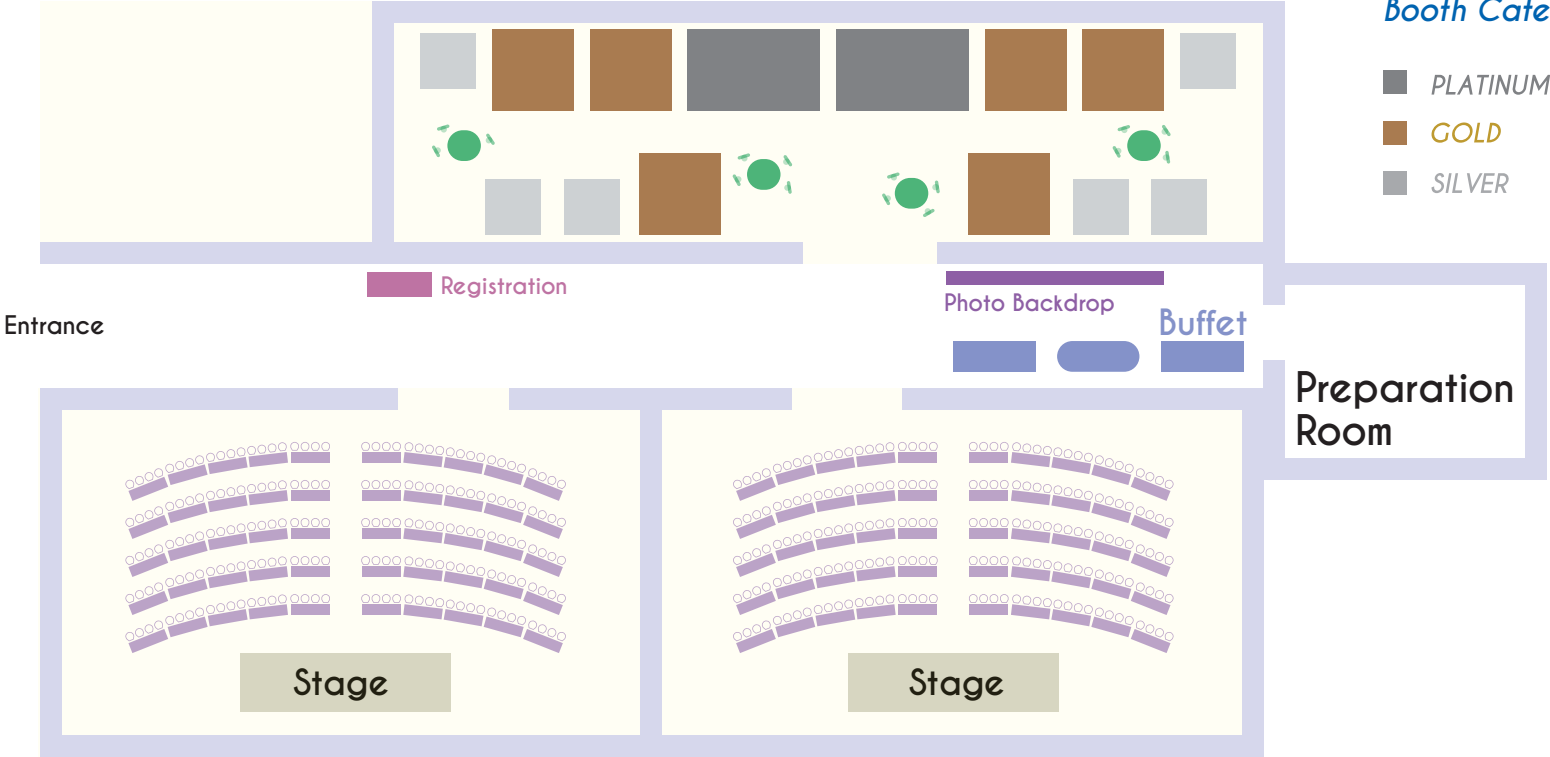

The exhibition will be open from Monday to Friday during the conference.

Confirmation and **Payment**

Sponsoring arrangements will be confirmed in writing between BlueArc Events based in Sri Lanka, acting on behalf of ICLP2020, and the sponsoring entity. An invoice with payment details will be sent to the sponsoring entity, and payment will then be expected within 4 weeks of the invoice date.

All amounts mentioned in this document are in United States Dollars and are exclusive of VAT. The VAT will be added as applicable according to tax legislation.

Exhibition Policy

If benefits granted to the sponsor include the opportunity to exhibit at the conference venue, the sponsoring organization and its agent(s) must comply with the rules and regulations governing the conference exhibition, as detailed in the exhibition manual or imposed by the venue. The exhibition manual and rules and regulations imposed by the venue will be provided to sponsoring organizations at least 6 weeks before the opening date of the conference.

Cancellation Policy

Sponsorship cancellations must be made in writing. Cancellations received prior to 01-04-2020 will be refunded the sponsorship fee less 25% plus taxes. Sponsorship fees are non-refundable after the said date.

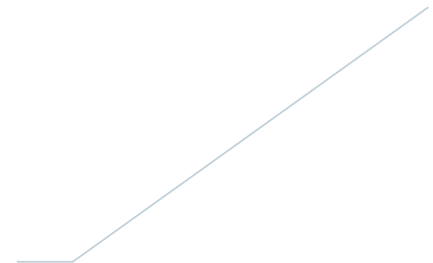

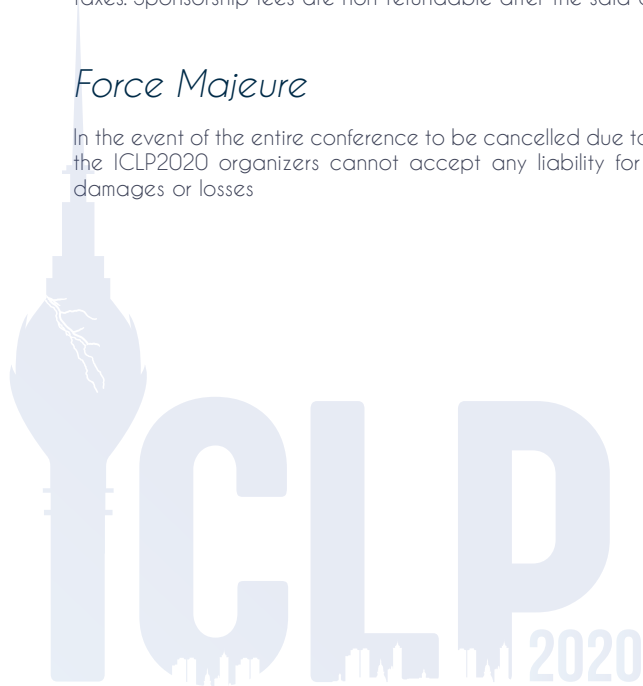

Force Majeure

In the event of the entire conference to be cancelled due to force majeure, the ICLP2020 organizers cannot accept any liability for any claims for damages or losses.

Disclaimer

Funding for ICLP2020 is requested solely on behalf of ICLP2020, not its members or partners. Any grants/fees provided by sponsorship organizations shall be used by ICLP2020 solely to cover the costs of the ICLP2020.

The ICLP2020 organizers cannot accept any liability for damages and/or losses of any kind, which may be incurred by the conference participants or by any person accompanying them. The organizers cannot be responsible for any disruption arising from political, social or economic events or any other unforeseen incidents beyond organizers control. The organizers will accept no liability for personal injuries sustained or loss or damages to the property belongs to sponsors and/or their agents.
